

9 Reasons

to select Mulling Insurance
for your
Distribution, Manufacturing
or
Warehousing Business.

9 Reasons

to Select Mulling Insurance for your Warehouse, Manufacturing or Distribution Business.

ADDRESS POORLY UNDERSTOOD EXPOSURES

We'll help you address poorly understood exposures. For example, analysis of and education about Cyber Liability, Equipment Breakdown, and Business Interruption exposure (from Supply Chain, Cyber-loss, Theft, Fire, Flood, etc).

CRISIS & EMERGENCY MANAGEMENT PLANNING

Mulling will provide specific tools to easily develop a customized plan in case of product recall, inventory loss, property damage, and other potentially catastrophic losses to property, profits and reputation.

SUPPLIERS INSURANCE ANALYSIS

Complimentary review and education of your current supplier's insurance program and how it impacts your exposure to losses.

INVENTORY & CONTENTS VALUATION

Analysis of your Building and Contents (including Inventory), helping you get the right amount of coverage to suit your needs.

WORKERS COMPENSATION COST CONTROL STRATEGIES

We'll help you to implement strategies for understanding and managing claims costs.

WORKPLACE SAFETY RESOURCES

Mulling provides your business with guidance regarding safety manuals and guidelines. We provide access to newsletters and payroll stuffer materials, break-room safety talks, etc.

HAZARD COMMUNICATION GUIDANCE

Mulling provides assistance in properly aligning your hazard communication program with OSHA's new GHS-compliant standards.

DRIVER & FLEET IMPLEMENTATION

We'll provide your business with comprehensive resources for developing a complete and effective plan to reduce fleet auto accidents and associated insurance costs.

DIRECTORS AND OFFICERS EXCLUSIONS MANAGEMENT

Mulling's experts will help you to fully understand management liabilities as well as coverages and possibly risky omissions in your D&O policy.
